

LEGISLATIVE ASSEMBLY

ROADS AND ROAD SAFETY LEGISLATION AMENDMENT BILL 2024

(New Clause to be moved by Dr Tim Read)

NEW CLAUSE

1. After clause 9 insert—

'9A New section 99D inserted

After section 99C of the **Road Safety Act 1986** insert—

"99D Reporting incidence of camera detected no-truck zone offences

- (1) As soon as practicable after the end of each quarter of a calendar year, the Minister must cause to be published on the Department's Internet site the following information in respect of that quarter—
- (a) the number of infringement notices that were issued in respect of camera detected no-truck zone offences;
 - (b) the number of infringement notices in respect of camera detected no-truck zone offences for which the infringement penalty was paid;
 - (c) the number of infringement notices in respect of camera detected no-truck zone offences that were withdrawn for any reason;
 - (d) the number of proceedings commenced in the Magistrates' Court in respect of camera detected no-truck zone offences;
 - (e) the number of proceedings in respect of camera detected no-truck zone offences in which the accused in the proceeding raised a matter relating to an exception under section 65BA(2);
 - (f) the number of proceedings in respect of camera detected no-truck zone offences in which the accused in the proceeding was found not guilty of a camera detected no-truck zone offence because an exception under section 65BA(2) applied to the accused;
 - (g) the prescribed matters (if any).

- (2) In this section—

camera detected no-truck zone offence means an offence against section 65BA(1) detected by a prescribed no-truck zone camera;

quarter, of a calendar year, means the period of 3 months ending on 31 March, 30 June, 30 September and 31 December, in that year."!
