Justice Legislation Amendment (Anti-vilification and Social Cohesion) Bill 2024 — reasoned amendment

I move —

That all the words after ‘That’ be omitted and replaced with the words

‘this House refuses to read this Bill a second time until the Allan Labor Government:

- (a) urgently considers additional options, including those available to Victoria Police, as a practical means of tackling anti-social and vilifying behaviours; and
- (b) consults further with Victoria’s faith groups, including the Jewish and Islamic communities, who have warned the Government that the proposed genuine political purpose defence to incitement will damage social cohesion in this state’.
